The Mokena Community Public Library is holding an open house Sunday, April 23 from 2 to 5 p.m., to give the public a preview of the facilities which will be officially opened Tuesday, April 25. Scheduling this event to coincide with National Library Week, the Library Board of Trustees urges all area residents to pay their new library a visit on Sunday.

Facilities are greatly enlarged and will provide the

community with adequate library service for the first time. Since no funds will be available for several months yet, all current progress has been through gifts and unpaid workers.

In addition to viewing the facilities, meeting the board of trustees and having refreshments visitors may make application for library cards. Location of the Library is in the building which formerly housed the Emmanuel Lutheran Church.

Name Elias Brown Head Of L-W Board

At its reorganization meeting last Thursday night the Lincoln - Way High School board elected Elias Brown, of the Welsh Lumber Co., Mokena, as president. He succeeds Wendell Morrison, of the B. & M. Lumber Co., Frankfort.

Dr. Lowell M. Webb, who was re-elected to the board in the regular school election April 8, was re-elected vice president. The other member elected to the board who was seated last Thursday night was Durward Fant, of Mokena. Fant's term on the Mokena Grade School board expired this month. Mrs. Beatrice Link, of Lincoln Estates, a school teacher by profession, was elected secretary of the board, a post formerly held by Brown. Mrs. Bernadine Warning, of New Lenox, of the Lincoln-Way secretarial staff, was appointed treasurer, effective July 1, the beginning of the new fiscal year.

The board accepted the invitation to become a member of the South Cook County Educational Development Center. There are 62 school districts, high school, elementary and

parochial who are members. They pool their resources in dealing with legislation and governmental business and in an advisory capacity on educational matters. The underlying grade districts of Lincoln - Way also have been invited to join SCEDC. The grade boards had not acted on this up to this time.

Spring . .

Spring is here again -- the high whine of rotary mowers, birds, showers, the sprouting of tulips and other plants, kite flying, baseball, marbles and now the annual sale of gaslights and grills make it official that spring is here. It may be chilly and at times downright cold but it is spring again in Northern Illinois.

Take \$9,000 Coin Collection From Home At Frankfort

A burglar or burglars made off with a coin collection valued at approximately \$9,000 at Frankfort over the weekend. Two rifles, two watches, some rings and other jewelry were also taken, according to the report made to Frankfort Police Chief Ted Massey.

Burglarized was the home of Charles Davis, 625 Cedar Rd., in the Connecticut Hills area. Mr. and Mrs. Davis

The three villages of the area, New Lenox, Frankfort and Mokena all held municipal elections Tuesday.

New Lenox was the only one in which it might be said that a full ticket was elected and oddly enough there was not an incumbent in the lot.

Joseph Hartung, a co-owner of Braun Sales, was elected mayor; Mrs. Marjorie Wajchert, wife of Police Chief Joseph Wajchert, was chosen as village clerk, and the three new trustees elected are Earl W. Schroeder, Robert Wysock and Francis J. (Bing) Miller.

There were three candidates for mayor and the vote of each was:

Hartung, 417; Eugene W. Hunt, a former village trustee, 146, and Ben A Thomas,

an insurance dealer, 49.

Only two ran for the clerk's job that was held for some 20 years by Robert McCleary, Mrs. Wajchert, who polled 417 votes, and W.I. (Jack) Carpenter, 164.

Seven ran for the three four-year terms as trustees and the vote of each was:

Schroeder, 390; Wysock, 283; Miller, 268; Earl C. Montgomery, 218; Gary D. McAlvey, 216; John S. Techman, 199 and Gerald F. Humphrey, 109.

There was also a contest in the village election at Frankfort.

Robert Dean, incumbent, who was running on Independent Ticket No. 1 with Wayne DePorto and Nicholas Fisher, was re-elected but his running mates failed. Three

sought election on the Peoples Ticket and two were successful in their bids, Wilbur Klier, a former trustee, and Howard (Jerry) Osmus.

At Mokena the names of four candidates for the three trustee jobs, appeared on the ballot, Bruce Shoop, one of those named on the ballot was ineligible for election, having moved away but not until too late for his name to be withdrawn.

This left the other three candidates, Henry Clark, incumbent, Edward Haislet and Anthony Dina Sr., without opposition.

Clark received 119 votes, Haislet, 115 and Dina 80. Rauch polled 58 votes and 34 votes were cast for Shoop.

All the terms are for four years.

The elected board members will hold their first meeting April 24 at Joliet Central High School. The meeting was called by County Supt. Boyd Bucher who conducted the referendum on the establishment of the junior college district -- No, 525 it is -- and the election of the board. Now that he has set the meeting for the organization of the board his duties are finished.

The board will meet at 7:30 with Gerald Smith, executive secretary of the Junior College Board on hand to acquaint them with their duties and to get them organized. The members will draw for terms. Three of them will serve the full three-year terms; two will serve for two years and two will serve for one year. They will then elect officers.

The board will determine when the new college will be located and all other matters relative to its operation. The present junior college will continue to function until end of the school year.

There were five polling places in the Lincoln-Way High School District. The vote for the district candidates in each was as follows: Frankfort Grade School, total vote cast, 169; Whitaker, 113; Welsch, 109; Patterson, 148; Tromp, 79; Carpenter St. School, Mokena, total vote cast 343; Whitaker, 229; Welsch, 311;

The committee that headed the campaign to establish a junior college recommended 11 of the 35 candidates for consideration by the voters. Of the seven elected only Victor Scott had not been recommended by the committee. Committee choices who lost were Tromp, Charles F. Westfall, Arthur V. Rostrom, John R. Rogers and Claude H. Hogan Sr.

Mokena Fire Department Has Golden Anniversary

Mokena firemen were hosts to 185 persons at the dinner and dance given last Saturday night in St. Mary's School gymnasium in celebration of the department's 50th anniversary.

Established as a volunteer department in 1917 it is still a volunteer department today, altho it has become a part of a Fire Protection District that takes in all of Frankfort Township south of U.S. 30 and West of U.S. 45, plus portions of New Lenox and Orland townships.

Speakers at the dinner included John Scarth, president of the Mokena Fire Department; Stanley Williams, department historian; Chief Robert Rust; and James Marti, former mayor, and Paul Boecker, a member of the U. of I. extension staff that is concerned with the

study of fire, fire fighting, fire prevention and safety.

Chief Rust introduced officers from neighboring departments who were guests of the Mokena firemen. The departments have an association for mutual aid and they are called on in the event of large fires or when a home department is busy on a job and other alarms come in.

Capt. Kenneth Warning presented Chief Rust and Assistant Chief William Haas with white rubber coats.

All former members of the department, some of whom have moved to other localities, as well as present and former village officials and their families were guests at the dinner.

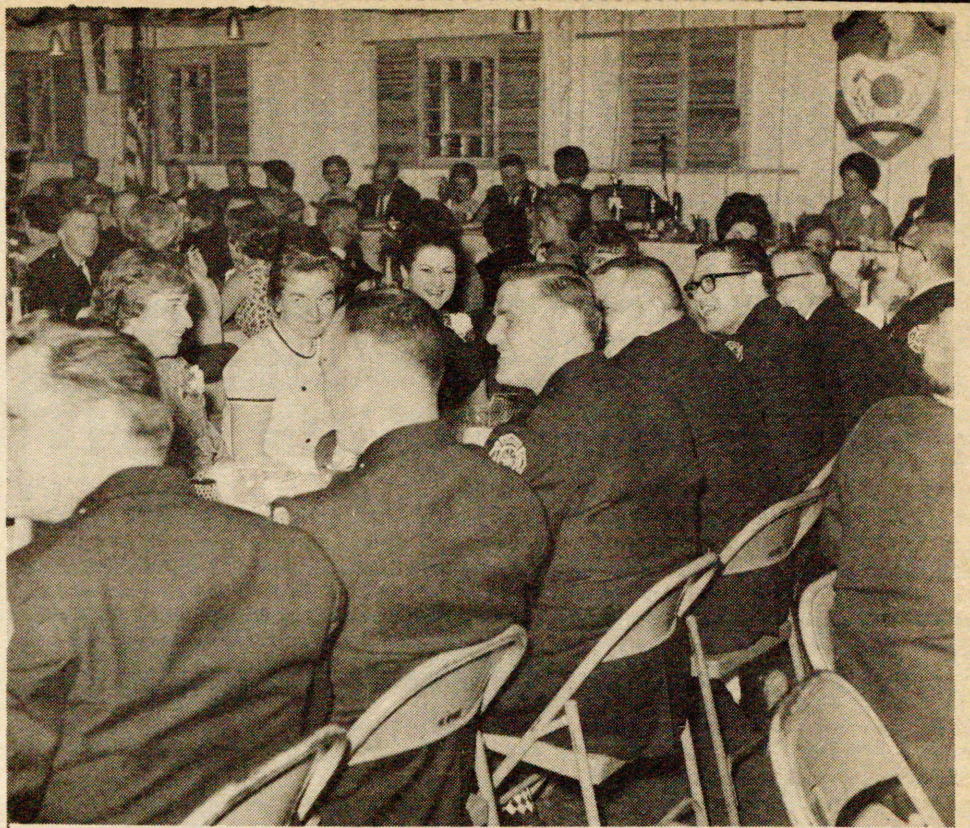

Wooden plaques, bearing the insignia of the Mokena department denoting its 50

years of service to the community, and mounted by a miniature fire truck, were presented to the guests as a memento of the occasion.

In its 50 years the department has had six chiefs. One of them, Carroll Roberts, was a guest.

Members of the department attended in their new dress uniforms, and wore a badge especially designed for the Mokena department. This badge cannot be used by any other department without Mokena's consent. An enlarged drawing of the badge, made by Mrs. Walter Blaess, of Lincolnwood, a member of St. Mary parish.

The dinner was served by the Altar and Rosary Society of St. Mary and members of the Holy Name Society of the parish had charge of the parking.

FIREMEN FINALLY get to sit down at their own party but for a long time they were on their feet attending to the wants of their guests. In the background is the speakers' table.

Sisters To Open Bids On Sewer Line May 2

The Franciscan Sisters of the Sacred Heart Association will open bids May 2 on a sewer line to connect their property off U.S. 45 near St. Francis Rd. with the Frankfort sewage disposal plant.

A contract between the Sisters and the Village of Frankfort was signed recently under which the nuns will pay the village for use of the sewers, plus payment of half the expense of building a polishing pond, plus the expense of laying a 6-inch force main from the convent property to a point on Colorado Av., where it will be joined to a gravity line.

If the force main feeds into an 8-inch gravity line the Sisters pick up the entire tab for the sewer line. If, however, the village board elects to have larger mains than those called for in the base bids they will be taken care of in alternates, and the village will pay the difference in the cost.

One alternate would have the force main eight inches instead of six, and emptying into a 12-inch gravity line at a point on Colorado Av. west of U.S. 45. The other alternate would have the 12-inch gravity line begin on Colorado Av. at U.S. 45.

Lincoln-Way High School District owns property north of Colorado and west of U.S. 45 and plans call for eventual building of another school there. If that is done, or should the property become residential, the sewer along Colorado Av. should be of sufficient size to meet the needs, village board members agree. The area south of Colorado Av. slopes to the south so property owners on that side would build sewer lines to join with the main trunk from the village to the disposal plant, it was explained.

The bond house, a city planning firm, and the plan commission, as well as the village board, found the proposed use of the disposal plant by the Sisters prop-

erty, was a good piece of business.

The Sisters have sent a check for \$12,088 to the village for its share of the polishing pond constructed near the disposal plant. The polishing pond would have had to be built anyway, it

was pointed out. The state water board is cracking down on all communities with disposal plants to build these polishing -- a new name for oxidation pond -- ponds in the immediate future. Mokena is going to have to put one in, it has been told.

Joliet Central, L-W Winners

Lincoln-Way and Joliet Central high schools were winners of the coveted sweepstakes awards in the Class A and Class AA state music contest held at Lincoln-Way High last Saturday under the auspices of the Illinois High School Association.

Lincoln-Way was assured to the sweepstakes crown for Class A schools before the contest last Saturday got started. It had amassed enough points -- 128 -- in the solo and ensemble contests March 11 to be certain of the title. Its closest runner-up, Joliet East had but 118.

The close contest was in Class AA, between Oak Lawn and Joliet Central. It was not decided until 5:45 Saturday afternoon when the Joliet Central band was awarded a superior rating, for 20 points and earlier in the day its Boys Chorus scored a superior for 16 points. Joliet entered the contest with an 18-point lead and the 36 it won Saturday gave it a margin of 54 points.

Oak Lawn had a band, a mixed chorus and a girls chorus and had it won superior ratings in all three it would have won over Joliet by two points. The Oak Lawn band and the Mixed Chorus got superiors but the Girls Chorus was rated excellent, which was good for eight points, so Oak Lawn wound up with 48 points Saturday, which gave Joliet the title by six points.

Joliet East and Oak Lawn are thus the runners-up in the Sweepstakes.

There were 22 schools represented in Saturday's contest by 36 musical groups.

Superior and excellent ratings were awarded to: Class A-Bands rated as superior: Lincoln - Way, Lockport West, Plainfield and Crete Monee.

Class A-Choruses rated as superior: Lincoln-Way Mixed and Lincoln-Way Boys Chorus.

Class AA-Bands rated as superior: Joliet Central, Oak Lawn, Joliet West and Proviso East.

Class AA-Choruses rated as superior: Lyons Township Girls; Joliet West Girls; Joliet Central Boys; Bremen Mixed; Englewood Mixed; Oak Lawn Mixed and Tinley Park Mixed Chorus.

Orchestras rated superior: Joliet West and Hinsdale Central.

Class A-Bands rated as excellent: Joliet East.

Class A-Choruses rated as excellent: Crete-Monee Mixed; Nazareth Academy Girls and Lincoln-Way Girls.

Class AA-Bands rated as excellent: Carl Sandburg (Orland); Tinley Park; Hinsdale Central and Morgan Park.

Class AA-Choruses rated as excellent: Oak Lawn Girls; Tinley Park Girls; Morgan Park Mixed; Naperville Mixed; Rich Central Mixed and Carl Sandburg Mixed.

Plan Annual Turtle Derby At Frankfort

The Frankfort Lions are planning for their annual Turtle Derby. The event is scheduled for May 30 in the Frankfort School gymnasium.

Details will be announced later. Children and the Lions Club are the chief beneficiaries -- the children because they win the prizes that the turtles win and the Lions because the money paid for the turtles helps them with their welfare enterprises. Actually, it was pointed out, the persons aided by the Lions are the ones really benefitted.

The Turtle Derby will be a part of the annual Memorial Day observance at Frankfort. There will be the annual procession to the cemetery, the salute of the war dead, and the various athletic contests.

(CNS) Two members of one south suburban auto theft ring being tried simultaneously with another in different courtrooms of the federal building were found guilty by a jury before U.S. District Judge Hubert L. Will Thursday. A third man in the same alleged group was acquitted.

Judge Will set sentencing for May 23 for Pasquale Accettura, 36, of 6137 S. Massasoit and Gene Bates, 33, of Cullman, Ala. The defendant acquitted was Robert Key, 3248 S. 61st Ct., Cicero, a bartender.

The alleged leader of the ring, mentioned in both trials, Richard Buonomo, 26, 17216 Forestway dr., East Hazelcrest, pleaded guilty Feb. 14, 1966 and was sentenced to five years.

Meanwhile before Judge Alex J. Napoli two floors down another jury was expected to get by Tuesday the case of ten defendants in the other ring, headed by Herman "Motorcycle Mike" David, 78 years old, 14823 Grant, Dolton, and his two sons, Robert, 45, and Orlando, of 435 Locust St., Frankfort. Three others have obtained separate trials and one of them, Larry Abraham, Harvey fireman, testified for the government.

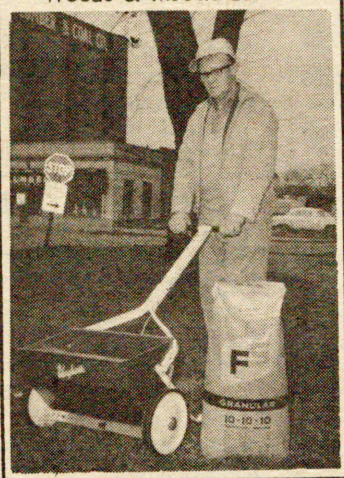

The two groups were charged with transporting dozens of stolen cars across state lines after changing serial numbers and other identification since April, 1964.

We have a new little newspaper boy (Joey Penn of Ethyl Lane) to deliver the Chicago Sun - Times each morning, so, if you don't take the paper for one reason or another but would like to, it might be well to try little Joey as a paper boy as the incentive is there for him to do a good job. An example of doing a good job is David Sumner who delivers your Mokena News Bulletin each week and has never missed an issue or a customer that I know of and this includes throughout all of the bad winter weather. Please give these boys a chance if you are interested in either of these papers.

Mr. and Mrs. James Hubbard of Lenore Lane were honored this past week with a visit by Jim's parents Mr. and Mrs. Conrad Hubbard of New Lisbon, Wisc. This is the first time that Jim's mother has seen the new baby and also her first visit since she underwent surgery in January at St. Joseph's Hospital in Joliet.

We would like to welcome Mr. and Mrs. Lonnie Jaworski of Pleasant Ave. into our community and hope that you

and your family will enjoy the community as much as we do. Marilyn has a sister Mrs. Joyce Boher of Pleasant ave. and a brother Mr. Ernie Shuman of 183rd St. already living here and who are well liked in the community already.

We are glad to see Mrs. Edith Neal of Lenore Lane back with us after her long stay in Silver Cross Hospital after an auto accident. We are glad you are better Edith.

Congratulations to Jimmy Woods on his winning art exhibit at school. We all hope that your next exhibit which will be at the state level will get you a prize too.

Adds Religious Film to Library

"This is Our Heritage," a 16mm sound color movie based on the book "A Guide to Religious Shrines in the Nation's Capital" has been added to Congressman John Erlenborn's lending film library.

"I purchased this film for my library because all too often people think of Washington as only a collection of government buildings. It is also a great religious center, reflecting that this is, indeed, a nation under God," Congressman Erlenborn stated.

Ann Rutledge PTA Hosts Many Guests At Meeting

MRS. EMIL WILLE

The Ann Rutledge P.T.A.

Goose. Mrs. Ethel Reed di-

them on the piano.

Lenox gave pointers on the
upcoming college school
board elections.
Mr. Robert Wheeler gave
the slate for the election
of the new officers. The

following were voted on and
elected. They are Mrs. Cal
Heath Jr., President; Mrs.

dent; Mrs. Charles Scheeler,

superb talk on his trip to
Puerto Rico. He offered his
services in the San Sebastian
Mission for three weeks. We
learned through Dr. and Mrs.
Otto's experiences how the
Spanish people live, ate and
worked. Our thanks to Mrs.
Otto for the showing of the
slides and giving the inter-
esting comments.

The hostesses for the so-
cial evening were Mrs. Rob-
ert Wolcott-chairman, Mrs.
Earl Piepenbrink, Mrs.
Floyd Harmon and Mrs. Ed-
mond School. The table deco-
rations were in a Spring
